ADVANCE® HIV-1/2

OraQuick ADVANCE® Rapid HIV-1/2 Antibody Test – Fact Sheet

Manufacturer: OraSure Technologies, Inc.
220 East First Street, Bethlehem, PA 18015
Telephone: 610-882-1820
Fax: 610-882-1830

Product Description: The OraQuick ADVANCE® Rapid HIV-1/2 Antibody Test is the first and only FDA approved, CLIA waived, rapid point-of-care test that provides results for both HIV-1 and HIV-2 with greater than 99% accuracy in as little as 20 minutes, using an oral fluid, finger-stick or venipuncture whole blood or plasma sample.

Unlike other antibody tests for HIV, OraQuick ADVANCE® can be stored at room temperature, requires no specialized equipment, and may be used at both traditional laboratory and non-traditional clinical settings.

OraQuick® ADVANCE provides unparalleled ease of use with the highest standard of care.

Accuracy: Clinically proven performance, OraQuick ADVANCE® is greater than 99% accurate.

Appropriate for Testing in: OraQuick ADVANCE® is appropriate for HIV testing in the following locations:

- Public Health Clinics
- HIV Counseling Centers
- Community Based Organizations
- Physicians Offices
- Labor and Delivery Settings
- Emergency Rooms
- Accidental Exposure Situations

Key Product Features:

- FDA Approved
- CLIA waived
- Accurate Test Results in Just 20 Minutes
- Greater than 99% Accurate
- Easy to use
- Portable
- Oral Fluid (Saliva), Finger-stick or Venipuncture Blood or Plasma Sample Collection
- Tests for HIV-1 and HIV-2
