

Q.E.D.® Saliva Alcohol Test – Fact Sheet

Manufacturer: OraSure Technologies, Inc.
220 East First Street, Bethlehem, PA 18015
Telephone: 610-882-1820
Fax: 610-882-1830

Product Description: Q.E.D.® Saliva Alcohol Test is a CLIA-waived and DOT-approved, on-site, rapid, low-cost alternative to breath or blood testing. Q.E.D.® is easy to administer and provides quantitative results, similar to blood-based tests, in less than 5 minutes.

Q.E.D.® features thermometer-like reading, leaving no room for misinterpretation of results. The test also features a Built-in QA Spot™ that provides quality control for every test by ensuring test administrators apply specimen in the correct location with the correct quantity of specimen.

Accuracy: Provides quantitative results as accurate as a blood test.

Appropriate for Testing in: Appropriate for alcohol testing programs in the following settings, among others:

- Workplace
- Criminal Justice
- Drug and Alcohol Abuse Treatment Centers
- Clinical

Key Product Features:

- CLIA-waived
- DOT-approved
- Built-in QA Spot™
- Simple thermometer-like reading
- Quantitative results in less than five minutes
- As accurate as blood-based tests
- Non-invasive oral fluid collection process
