Test Approved for European Union

BETHLEHEM, Pa. – OraSure Technologies, Inc. has received approval to affix the CE mark to its OraQuick(R) Rapid HCV Antibody Test.

The CE mark is required to sell this test in the countries of the European Union. The OraQuick(R) Rapid HCV Antibody Test is the first rapid hepatitis C test bearing a CE mark that can be used with oral fluid. Rapid oral fluid HCV testing allows individuals to get tested with an oral swipe and receive the results in 20 minutes. OraSure is also actively seeking approval of its Rapid HCV Antibody Test by the U.S. Food and Drug Administration (FDA).
